CO-CURRICULAR ACTIVITIES

- Served as college Campus Ambassador in “TECHNEX’23”, a Techno-Management festival event organized at IIT BHU, Varanasi**
 - Managed student participation, logistics, and communication between club members and faculty, helped increase student engagement, assisted in mentoring juniors and fostering technical collaboration among peers
- Served as student coordinator at “Tech Fusion Club” and Handled Instagram page of the University**
 - Collaborated with departments to ensure accurate and timely communication of university, led technical event planning and communication for the Tech Fusion Club news for making the event successful
 - Managed and created content for the University’s official Instagram Page in “Smart India Hackathon” event organized by University’s Tech Fusion Club. Designed promotional graphics, posted event updates, and engaged with student followers. Increased page reach and engagement using trends, reels, and interactive posts
- Served as assistant coordinator in “VIVEKA”, College Technical Festival**
 - Promoted the campus event through digital and offline outreach, helping boost attendance and visibility among students. Strengthened campus communication through visual storytelling and real-time updates
- Represented school in District Level Badminton Tournament and secured 1st place**
 - Demonstrated teamwork, focused and competitive spirit

INTERNSHIPS/ PROJECTS

- Developed an E-commerce Website Demo Page during an Internship program at IIT, Hyderabad**
 - Allowing users to Login through User authentication
 - Browse products with categories, filters, and search functionality

- Manage Shopping carts
- Mobile-responsive design with a clean, user-friendly interface

2. Developed “AgriGrow” – Agricultural E-commerce Web Platform

- Designed and built a comprehensive online marketplace tailored for agricultural products, utilizing HTML, CSS, and JavaScript.
- Programmed a customized, automated 6-slide landing page carousel to efficiently categorize products (Artificial Plants, Flowers, Seeds, Plants, Pesticides, and Fertilizers).
- Implemented core e-commerce functionalities, including dynamic product selection, an interactive shopping cart, and a simulated payment gateway.
- Integrated responsive contact and feedback sections to enhance user engagement and simulate real-world customer service features.
